

**[NEWS RELEASE]**

July 24, 2025  
With X Partners Co., Ltd.

## **Launch of Operations and Official Website**

We are pleased to announce that With X Partners (WXP) officially commenced operations in July 2025.

WXP is an independent private equity firm focused on investing in mid-sized and small companies in Japan. In addition to providing hands-on support by experienced professionals, we aim to realize transformative growth in our investee companies through close collaboration with our co-creation partners.

We are currently preparing to launch our inaugural fund, the “With X I Limited Partnership,” with an initial closing targeted for December 2025.

In conjunction with our business launch, we have also opened our official website as of today. We will use this platform to share updates, announcements, and information about our activities on a regular basis.

We would be delighted if you would take a moment to visit the site. We sincerely appreciate your continued support and guidance.
